

2D RESTAURANT

Family Owned

we are an Asian family owned restaurant located in Lakeview East specialized in Japanese Mochi Donuts and Asian style fried chicken sandwich

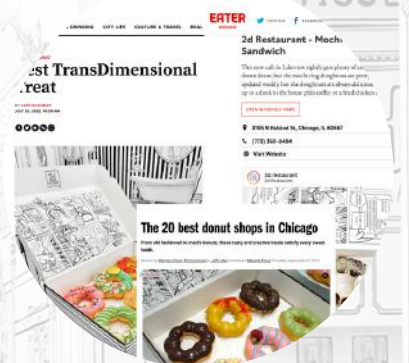

Yu worked in various restaurants, while Yo focused on interior design, specializing in work for resorts about everyone else, they were forced to rethink their plans during the pandemic. That's when the idea of their own restaurant started to sound appealing.

When the pandemic hit, and members, we couldn't travel in 2020, so (Yo) came around to this idea of sketching donuts. Yu said, "The thought is that we could bring our guests on a two-dimensional journey to various cities, including Tokyo, Rome and London, before finally settling on Paris."
